

What Activities Are Available?

We will always specify if an event is a game night, a Dungeons and Dragons or wargame event, a skill-share (no sex), or a full play night (where swinging is allowed but never required). We might even have family-friendly BBQ days. Negotiation is always required between consenting individuals. However, here is a list of what is AVAILABLE:

GAMES!!!!

- Card games: Cards Against Humanity, Unstable Unicorns (NSFW), Here to Slay, Coup, card decks, etc.
- Board games: Lords of Waterdeep, Scrabble, Monopoly, Clue, Risk, Betrayal at the House on the Hill, and more
- Social games: Twister, One Night Werewolf, Karaoke... the list goes on
- Plus assorted video game systems
- Dungeons and Dragons will be available on SPECIFIED events. It is too intensive for generic game nights.
- Some wargame material might be available in general, but there are also specific events for those.

Kinky options:

- St. Andrew's Cross, spanking bench, and bondage chair
- Hot tub: sometimes we require suits, but not always.
- Gym mats: great for primal play and other floor work
- Hardpoints: NO full suspension, but our points in the basement are okay for partial ONLY if you're approved for that. We suggest using the sex swing instead. Always make sure there is a mat or futon below the hard points.
- Posts: Use your imagination.
- Tables: easy to clean, move, tie off on, bend a person over...
- Foldout futon, couches, and cuddle corner
- Large wire dog crate
- Queen-size bed with under-mattress restraint system

Toys we MIGHT share:

- Rope
- Impact and sensation play tools
- Restraints: assorted cuffs for different body parts, harnesses to achieve different positions, spreader bar, etc.
- Sex swing (we require a mat or the futon underneath this when it's in use for safety)
- Motor bunny: like a Sybian. We have attachments that are sanitized in the dishwasher after every user.
- Lube: we don't mind sharing as long as you aren't excessive.
- Wipes: to help you keep your dirty play clean!
If you require condoms, please bring your own, as we do not guarantee that any will be available for you.

We have places where guests can sleepover. However, we do not allow further playing once an evening has concluded. Screaming out your orgasm in the room next to my son's after he's come back home and gone to bed? Not okay.
